Lake Norman Realty Makes a Difference with Toys for Tots Drive

Lake Norman Realty has many efforts every year to make a difference in the lives of local families. This year, thanks to the generosity and efforts of its staff and their family, friends and neighbors, Lake Norman Realty collected 330 toys for the Toys for Tots program. The focus of the Holiday was not just buying and selling homes but filling the homes and hearts of families in need.

Abigail Jennings, President of Lake Norman Realty, helped to grow the number of toys donated by creating a friendly contest between its multiple office locations. The firm has nearly 90 associates and staff with five offices in Cornelius, Mooresville, Davidson, Denver, and Statesville, specializing in the Lake Norman region from Statesville to Charlotte.

“This year the Denver office location was the leader by collecting 124 toys, however, the big winners in this contest were the children that we positively impacted this holiday season and our staff and their families who were deeply blessed to be a part of this amazing program,” shared Abigail Jennings.
